

La Universidad Politécnica de San Petersburgo (SPbGPU)

Costos de Maestrías en ingles 2016 -2017

Mestrados em ingles	Duração	Custos em rublos anual
Civil Engineering	2 anos	285 000
Energy Efficient and Sustainable Building	2 anos	285 000
Energy Technology	2 anos	285 000
Power Plant Engineering	2 anos	285 000
Electrical Power Engineering	2 anos	285 000
Innovative Technologies in Metallurgy	2 anos	285 000
Intelligent Systems	2 anos	285 000
Communication Design	2 anos	300 000
Mechanics and Mathematical modeling	2 anos	240 000
Continuum Mechanics: Fundamentals and Applications	2 anos	285 000

Mesoscopics and Advanced Materials	2 anos	285 000
Microelectronics of Telecommunication Systems	2 anos	285 000
Photonics and Nanoelectronics	2 anos	285 000
Intemational Business Development	2 anos	240 000
Business Development and Innovation ln Intemational Context	2 anos	240 000
Intemational Marketing Management	2 anos	240 000
Innovative Entrepreneurship	2 anos	240 000
Region Studies:Russian Federation	2 anos	240 000
Technologies for Business Engineering	2 anos	240 000
