## BRIEF DESCRIPTION

Russia is one of the key players in the major world industries, so learning Russian language for business communication is a smart investment in your future success.

During the program you will increase your business-related vocabulary, improve your speaking, reading and writing skills and learn how to efficiently put those into practice during negotiations, presentations etc.

Apart from the intensive language study, you will develop understanding of the Russian business culture, work relationships and business practices in Russia, attitudes towards foreign partners and gender aspects.

### **Cost:**

US\$421

### **Includes courses such as:**

- Russian Language for Business Communication
- Russian Business Culture
