BRIEF DESCRIPTION

The School of Fashion Study (SFS) is a digital stylist school for those who want to learn how to match clothes in a certain style and taking into account fashion trends, always looking good and helping clients. On the Digital Stylist course, you will learn about fashion trends, make creative works: collages and videos of original design and author's style. After this course, you will be able to work with clients at a higher professional level, help select clothes and accessories, create fashionable looks and become a more successful online stylist. The intensive format of the SFS school will help you improve your skills in a short time. You will be exploring photo processing applications. From clothing options, you will create fashionable bows. You will also explore color predictions for seasons 2022 - 23 We have partnered with the renowned online Beijing international Stylist King contest and your creative work can make you a celebrity on social media!
